For Immediate Release

June 10, 2019

Out of respect for the Michigan State Police and their request not to interfere with their responsibilities, we believe that the search warrant and tabulation were initially exempt from disclosure under the FOIA. However, after conferring with the Michigan State Police today, we no longer believe that the release of these documents will impact their ongoing duties. As such, in an effort to be as transparent as possible, we are voluntarily releasing all of the documents provided to us by the Michigan State Police.
